

Trio isn't a newspaper, it is a free newsletter serving a parish of scattered villages and isolated farms. Although there are not many of you living in this area, you all have different tastes and ideas. Trio must cater for everyone, but what goes in depends on you - everything we receive is printed unless unfit, or too long. In each issue of Trio there is room for about twenty 'articles' of 50 - 80 words each. If you want to write more about some topical item, send us an 'editorial' which can be as long as 300 words. Unlike some 'free' sheets, Trio only carries about 25% advertising space. The payments made by advertisers, plus £5 a month Parish Council Grant, pay for all the stencils, ink, paper, etc. Your editor is not paid for the work but can use a typewriter, has a printer's knowledge of layout, etc., and does his best to turn out a decent issue each month. Finally, we should like to mention that we do not expect to recover £35 lost to a spurious paper dealer a few months ago, but we should like to thank all those kind people who continue to make donations towards our funds.

## VILLAGE HALL

The Committee would like to thank all the young people who supported the Tuesday evening Discos. Although somewhat disappointing monetarily, a small profit was made.

There will be an Autumn Fete on Saturday 27th. October. If you wish to help or if you have any good jumble, bric-a-brac, home produce, plants, etc., contact Mrs. Von-Lintzgy, tel. Port Isaac 680, as soon as you can please.

The sum of £33.36 was handed to Cancer Research as a result of the Carnival Night Disco run by the Committee. Thanks to all those who attended and helped make it a successful event. Estimated electricity bills will be sent to organisations who have used the Hall without filling in the appropriate book. An enquiry has been made for use of the Hall for ballet lessons and aerobic classes. It is hoped these will be well supported. The appearance of the Hall and its surroundings will be discussed at the next Committee meeting.

## PORT ISAAC TELEPHONES

British Telecom have asked us to explain that the new form of number in the 'Telephone Book' is in preparation for the new exchange due to come into service early in 1985 at which time all subscribers will be notified and until when existing numbers still apply.

## PORT ISAAC SINGERS

The Singers were recently successful in the regional auditions for the Sainsbury's 'Choir of the Year' competition. There were eleven auditions throughout the British Isles involving 270 choirs of all types. Our audition included 22 choirs from as far away as Dorset, and two adult and one youth choir were successful. We now compete in November against the winners from the South, South-East, and the Midlands. The competition is to be televised for regional and national transmission. We would like to express our appreciation for the continued support, encouragement and interest we receive.

## ST. JOHN AMBULANCE

The officers of the Camelford Division and Mrs. B. Blake - local organiser, wish to thank everyone in Port Isaac and district who gave their services so willingly to help raise a record £147 for the recent Flag Day.

## 'NIBS'

Port Isaac mourned one of the last of the old 'characters' at the funeral of 'Nibs' (Frank) Brown in the Roscarrock Hill Methodist Church on Saturday 15th. September. He was known by everyone, many have said that he was the first of the locals to speak to them when they arrived here, and he will be sadly missed.

## PARISH COUNCIL

Notes of the Monthly Meeting,  
Port Isaac, 17th. September.

Cllr. Dawe pointed out that the amendment to the proposal concerning a bus shelter, last month, is probably not legal. Seats will be repainted a slightly different green this winter.

Gate, Port Isaac Valley to be re-hung by Mr. Watson. P.C. to pay for the post.

Footpath Signs. Highways Dept. have put up wrong ones which will be replaced by smaller ones. One sign at Coldstanton has been illegally removed; if the new one also disappears this will be reported to the police.

Mr. Welton urged that waymark-of the paths be undertaken before next year as many walkers unable to follow paths.

The Clerk reminded the Council that the Footpath Committee existed for such matters.

Village Hall. The £250 grant is being kept on deposit until govt. 'clamp-down' allows matching grant from District Council. It is hoped to get the exterior of the hall cleared up by a Man-power Services team. The wall which was knocked down by a visitor's car is being left at present as it is the subject of an insurance claim.

Chain, Tag's Pit. Mr. Bolton reported that it had been re-fixed within one week by Mr. Julian, but it is weak and should be replaced. Cllr. Dawe said it should be done straight away if any doubt as to its safety. It was not thought to be that dangerous, however, and will be looked at in the Spring, next year.

Playing Field Equipment. The swings need attention - safety seats, etc., all the apparatus needs repainting, and the goal post still needs mending. Also,

it was recommended that new slides be bought, one for the toddlers and one for the older children. The Playing Field Committee are to investigate the possibilities together with Mrs. Benz and Mrs. Regler as representatives of interested mothers. Mr. Symons suggested that equipment in use in other playgrounds could be looked at.

National Tree Week. The Council decided not to take part.

East Cornwall Hospital. Thanks for extra £30.60 donation.

Furze Park Sign, Trelights. Although M.P. involved, Highways Dept. not prepared to take further action in 'trivial' matter. Councillors displeased that no notice was taken of their recommendations, but didn't think that the sign would remain very long.

Licence Application for a Full Justices Licence, Homer Park, was noted.

'Bodmin' Telephone Numbers. A copy of a 2½ page letter by Mrs. Rayment to Sir George Jefferson is to be given to all councillors.

Bus Shelter. A letter with 19 signatures, again requesting a shelter which could be used by old age pensioners waiting for the Mobile Library, was read. Chairman Mr. Cunningham, said it was too late as the matter had been settled at last meeting. Cllr. Dawe was not in favour of this viewpoint.

Planning Application for a garage, Mr. Wild, Fore Street, Port Isaac, (behind the Church Rooms) was considered, but no observations were made.

Public Discussion.

Mrs. Benz said that Port Isaac mothers did not expect the Parish Council to provide all the funds for new equipment at the Playing Field but that the community would raise some of the money. The present lay-

out of the equipment was not very welcoming and with a bit of imagination, bearing safety standards in mind of course, the equipment could be grouped more attractively.

Mrs. Haygreen expressed the hope that road re-surfacing in Trelights would not be done with loose chippings, but the Council said that it is national policy to use chippings for economy reasons and they would certainly be used this year.

Next Month's Meeting will be at the Church Rooms, Port Isaac, on Monday 8th. October, 7.30pm.

Question: Is it 'Tags Pit' or 'Teagues Pit' and how do you spell 'Gravelines Lane' please?

## RAFFLE

'Paddington' Bear raffle at the end of August was won by Barry and Molly Slater. The winning ticket was drawn by Jack Spry at the Golden Lion.

## LETTERS

There has been a positive flood of letters this month, some of them very long, but by courtesy of many donations received, we have been able to print an extra page. We should like to thank readers for all the kind comments they have made about Trio.

Dear Friends of Port Isaac, My wife and I would like to thank all those who contributed to the presentation which was made to us at the end of term on the 20th. July. The items we were given will be reminders of the happy 13½ years we spent at Port Isaac.

We would like to thank all those in the village who have supported the School during the period of our involvement with the village. Whenever you have been asked for help of any kind, you have given it in full measure and it has been a great benefit to the children.

Although there has been no formal Parent-Teacher Association, you have known that parents of past, present, and even future pupils, also other interested people have always been welcomed into the School. In a village, the School is part of the whole community.

As you know, I am retiring early from my teaching career and will be licensed on 6th. September as Team Vicar in the Probus Team Ministry.

Mrs. Prescott will be acting as Head-Teacher in my place next term and I am sure you will give her the same co-operation which I have come to expect. Mrs. J. Lee from Chapel Amble will be the relief teacher and Mrs. W. Hayne will be the School Secretary.

Sir, Will you please spare me space in Trio to say a warm 'Thank you' to the un-named mothers of 'Brownies, past and present' who subscribed to such a lovely surprise gift, presented to me at the last meeting of our Port Isaac Brownies recently.

As you know, the Port Isaac Brownies are having to amalgamate with Delabole because nobody has offered to undertake the leadership here. We planned a party for the last meeting and it was here that I was given a picture of Port Isaac painted by Mary Jones, for which I do say a sincere thank you to all concerned.

The Brownies had just one more Venture before finally disbanding and I'm sure readers will be glad to know that they raised £96.50 for the Ethiopian Famine Relief Fund by means of last Friday's Effort (17th. August).

I am sad that the Pack must disband, but glad that some are keen enough to continue with Delabole. It is not too late, even now, for someone to come forward to lead the Port Isaac Brownies and I do hope that this will indeed happen in the not too distant future.

Grace M. Hooper.  
[Received 4/9/84]

Sir, I wrote to our M.P. asking for his support in view of the proposed restrictions on dog owners, licences etc., and enclosing a press cutting giving details.

Never in my wildest dreams did I imagine that a man representing a large dog owning community would attempt to evade an honest answer in this way: "Thank you for your letter and press cutting. I shall continue to keep an open mind on the subject until more reactions have been voiced to the Government's draft proposals. The whole purpose at the moment is to obtain the widest consultation. Nevertheless despite their value to lonely and elderly people dogs are causing considerable annoyance and distress to people, where the dog owners fail to exercise proper control. We

shall have to try to reach some balance between these conflicting interests when we draft the regulations. - Gerry Neale."

Surely it must be obvious to the meanest intelligence, and presumably therefore to Mr. Neale, that the problem to be solved is that of control of unattended and untrained animals. (We are well aware of this in the Port Isaac district) and not the persecution of all dog owners. Cats, (bless them, they are also great friends) are allowed, licence free, to be as much of a nuisance as they wish. Responsible breeders and dog lovers, many of whom live and work in this part of the Duchy are not the people responsible for causing "annoyance and distress" in Cornwall.

No one deplors more than I do the straying and uncared for dogs, let out of holiday flats, etc, to go about unchaperoned, and the many let loose on beaches to be a nuisance to everyone. In many years of exercising a number of dogs I have never found it necessary to be a nuisance to anyone. If you cannot provide your dog with a suitable environment, care and supervision, then you should not keep a dog. He or she is part of your family for which you are responsible. Dog lovers please help to stop persecution of dogs and dog owners and work for proper control and exercise of your pets. If everyone did this there would be no need to ask for Mr. Neale's support which he is so reluctant to give us.

We now also do a  
CAR VALETING SERVICE

Sir, Recently my husband had to spend two weeks in hospital in Truro followed by two further weeks in East Cornwall Hospital at Bodmin. Thankfully now he is at home again.

During this time we were surrounded by so much kindness and generosity from all the good folk in Trelights and even Port Isaac. There were so many enquiries and good wishes and of course many people visited Ray at both hospitals. I was particularly grateful for all the offers of transport to Bodmin as I do not drive. We can never thank everyone enough for all their help and as a small token of our gratitude have made a donation to Funds for Trelights Methodist Church and St. Endellion Church.

Truly, Trelights is a delightful village to live in at any time but when one is in trouble then there is no better place to be.

Jean and Ray Nash.

[Received 5/9/84]

Sir, I read a variety of publications which fulfil my need for different kinds of information. (I even read the Beano when I was a child but I have grown up now).

For information about Port Isaac I read Trio and would like to express my thanks - echoed I know by many - to the Editor for this publication.

Unfailingly it gives an excellent impression of Port Isaac and its inhabitants and the matters that concern us all.

It is to be hoped that eventually some of the more recent incomers to the village will perhaps grow to appreciate everything we have here.

Janet Townsend.

[Received 19/9/84]

Sir, You may have read elsewhere, on 14th. September, that I am 'black'. For this I can only thank my German grandparents who had the courage to let their daughter marry a blackman in a racist country.

Fred Thompson.

Sir, This would seem to be a very good time to write and thank you for the marvellous response to our adverts placed with you over the last three years.

I would also like to thank Robin and Fred for all the hard work and precious time that they must give to what has become an eagerly awaited local newsletter.

This is even more appreciated when other people who obviously have this time are only prepared to fritter it away on rubbish.

Carry on the good work please.

Elizabeth Newman  
(Elizabeth Wools)

Sir, After reading the latest village publication, I felt sad that people with time, money, and ability could find nothing better to do with these assets, particularly as there are so many worthy causes which need support.

Sheila Jarvis.

Sir, Cream ordered from Ed Flanagan, Monday, by post, delivered Cheshire by Thursday. Thank you for excellent service.

Wynne Waters.

Has anyone else had a circular beginning 'As the Summer draws to a close and you reflect upon a successful season . . . ' ? !

### SURPRISE FOR AUXILIARY

On 24th. August, Don Whittle, an auxiliary coastguard at Port Isaac, was lured into the Golden Lion to be entertained by the Lifeboat crew and was presented with an engraved tankard to mark his retirement from the Coastguard Service having taken up a new teaching appointment in Surrey. On presenting the gift to Don, crewmember Paul Robinson commented that it had always been a pleasure to have Don's reassuring voice on the radio when working with the Lifeboat.

### CALLOUT

On Friday 24th. August, the Lifeboat was called out on service to four teenagers who had got into difficulties swimming across Port Quin Bay. They were trying to swim from Lundy Bay to the little cove east of Three Hedges, but were exhausted by the time they had passed Com Head. They managed to get onto a rock and wait for help but, unfortunately, their plight was not seen for two hours. When the Lifeboat got them on board, they were all suffering from exposure and hypothermia. They were landed at Port Quin and taken to Port Isaac surgery for medical attention. The crewmembers were: Paul Hingley, Paul Robinson, and Barry Slater.

FOOTPATH SIGNS

We are glad to see that our  
'highway authorities' are using  
powers under the Countryside  
Act of 1968 to erect some  
signposts in our parish, where  
footpaths leave metalled roads.  
The recently erected signs will  
be replaced by smaller ones,  
and we hope these will be fixed

PAY AND DISPLAY

Further to our comments in July,  
we have noticed several other  
disadvantages of this kind of car  
park: Some experienced drivers  
have been seen 'swapping' their  
tickets as they drive away. At  
times much to and fro traffic  
is caused by drivers trying to  
find empty spaces. There is no  
sign to tell people that there  
is a lower level. Cars are often  
parked 'wastefully' so that only  
about 100 cars are able to use  
the park. There is no space for  
coaches who therefore have to  
drive away again without staying.

I'M GLAD YOU ASKED THAT.
