LIFEBOAT

Senior RNLI executives visited Port Isaac on Tuesday 12th. February. Air Vice Marshal J. Tetley, Mr. E. M. Freeman, both members of the Search & Rescue Committee, Commodore G. R. Cooper, Chief of Operations, Lt. Unwin, S.W. Div. Inspector of Lifeboats, and his deputy, Capt. Hugh Fogarty. They were making a coastal tour of Lifeboat Stations. They discussed operational matters with Mr. David Castle and crew members, and also met members of Port Isaac Branch Committee.

John Scott.

TRELIGHTS - CHRISTMAS LIGHTS

The Village Green Committee again thank all the willing helpers who made such a splendid job of our illuminations. The switch-on was a great success. Afterwards we assembled in the Farmhouse for sherry and mince pies with carols. We were delighted to have the Chairman of the Parish Council with us. A special thank you must go to Clem A'Court for his beautiful crib which was much admired. Thank you one and all. Anne Pethick.

ANNUAL LUNCH
 Wednesday 13th. March
 12.15 onwards
 at
 Janet Chadband's

PORT ISAAC W. I.

Our A.G.M. was held on the 14th. February with our V.C.O. Mrs. Bancroft present. Retiring officers reported a successful and interesting year, which was, in fact, the 75th. birthday year of the Women's Institute. The monthly Competition Cup for last year was won by Mrs. Eileen Morris. The following officers were elected:
 President - Mrs. Margaret Hoskin.
 Vice President - Mrs. Rene Duval.
 Secretary - Mrs. Eileen Morris.
 Asst. Secretary - Mrs. Sybil Brown.
 Treasurer - Mrs. Pat Rex.
 Press - Mrs. Zofia Fry.
 Mrs. Bancroft congratulated us on the fact that being such a small Institute, so many members were willing to help. She also remarked on the lovely atmosphere at the meeting. Our Secretary, Mrs. Eileen Morris, prepared a marvellous programme for the coming year, interesting speakers with a wide range of topics. Even if you are not a member, you will be most welcome to any of our meetings, our printed programme will be displayed in the notice box in the top car park. At the next meeting on the 14th. of March, Mr. Hawken of St. Kew will speak about pot plants and their care and I am sure that we can all pick up some useful and interesting hints. Look forward to seeing you all then. Zofia Fry.

THE CHINA DOWN SYNDROME (contd.)

Mr Poynton, may I humbly say,
 I'm really full of dole,
 I didn't mean to hurt you,
 Or your friends at Delabole.
 With poet's guile, my 'dismal mile'
 Was written with conjecture,
 I didn't mean the folks at all,
 Just the architecture.
 You people smile in happy style,
 But hear my earnest prayer;
 I praised you and my title was
 A word for you know where.
 Port Isaac folk all like a joke
 After their labours,
 But give us due, it's not at you
 we laugh,
 You are our neighbours.
 Add no more fuel, we'll have a duel,
 Who'll take the poets' crown?
 Pistols at ten paces or swords,
 At China Down.
 But wait a tick, as one Eric,
 I know that you're another,
 We'll call a draw, I'll shake your paw,
 My fair poetic brother.

Eric.

March, in the Church Rooms.

Every year our membership grows and
our members now account for 80% of
beds in serviced accommodation in
our district. Wishing to attract
more businesses from other sectors,
we shall be preparing, in the next
few months, a commercial guide to
Port Isaac. All businesses who are,
or become members will get a FREE
entry. The guide will be distrib-
uted to all self-catering units, and
available in hotels, etc. If you
want to get your message across to
the visitors, join P.I.D.T.A. now.
The results of the 'Visitor Survey'
will be published shortly (£7 to
members, £10 to non-members). At the

findings and, more importantly, how
to make use of the information for
your business. Why do our visitors
come here? What do they like? What
would they like to see improved?
What do they think of our accomoda-
tion? What do they think of our
restaurants? What differences are
there between first-time visitors
and those who keep coming back? Is
there any difference between views
in peak weeks and off-season?
To find the answer to these and many
other questions, don't miss the

Plans have been made as follows in view of the need, referred to last month, to re-arrange services for a few months:

17th. March, 6pm: Joint Service at Trelights. Preacher Mr. A. Blake.
24th. March, 6pm: Fellowship at Gwel Arvor. 31st March, Easter Sunday, Services at Port Isaac, 11am: Mr. S. Willimott of Doncaster. 6pm: Revd. R. Stevenson of Wadebridge.

'Operation Teddy Bear'

Warm thanks to all who joined us in answering the Methodist Circuit's Appeal for soft toys and warm clothing for the children in Romania. We had about 15 large sacks of Teddies and other soft toys, as well as sacks of clothing from friends as far apart as Wadebridge, St. Gennys, and St. Breward. These were all brought to the Camelford Methodist Church on 26th. January for a display which beggared description, filling the platform from wall to wall. After a service of dedication, the goodly crowd of children and adults adjourned to the hall for the 'Teddy Bears' Picnic'.

PORT ISAAC ROWING CLUB

A very successful sing-song was held at St. Kew Inn on the 18th January. The Inn was crowded with Port Isaac Gig enthusiasts plus singers from Wadebridge and surrounding area. Another good evening was had at the Golden Lion on 26th. January for the Model Gig Draw. Tamsin Thomas from Radio Cornwall drew the winner: Peter Richards of Rock, who has donated the model gig to the Port Isaac Lifeboat. 2nd. prize - a painting of a Gig was won by Barry Smith of the Slipway Hotel, and the 3rd. prize - a bottle of Scotch was won by David Leigh of Surrey. There will be a Coffee Morning at the Golden Lion on Wednesday 27th. February at 10am. with a raffle, cake stall, white elephant stall, etc. Everyone welcome. Jan Rowe.

a social much enjoyed by all, which raised a further £50 for the purchase of food and medicines. The following Saturday, the snow was thawing sufficiently in Devon to allow us to take two car loads of gifts (boots and back seats piled high) to the Rora Christian Fellowship near Newton Abbott, from where they will be taken to Romania on 17th. February for distribution to the needy by a local Minister. This way we are sure none of the gifts find their way to the Black Market as is reported to have happened with other loads sent over to large distribution centres. This is not the only consignment to be sent this way and we are still open to receive new or almost new children's clothes, ready for the next journey. Or, if you have wool you don't know what to do with, please knit 4-inch squares (40 rows, 20sts, size 9 needles) and we will see that they are sewn up into cot blankets for a future delivery to Romania. Meantime, thank you all again for your help and co-operation for this first consignment. Grace Hooper.

ST. ENDELLION CHURCH

Ringers Welcomed At the end of January, a team of bellringers from South Petherwin was welcomed to the church tower by Mr. Roger Richards.
Baptism Nina Louise Ogilvie Brooke, daughter of Dr. and Mrs. Edward Brooke, was baptised by the Revd. Alan Wainwright in the church on Sunday 27th. January.
Whist Drive The January Whist Drive in the Church Hall was well supported, Mr. C. A'Court was M.C.
Study Group The Revd. James Barnett, Diocesan Training Officer, continued his course on the history of the church at Hillows House, St. Teath, home of Mr. and Mrs. Russell Pollinger on Monday 4th. February.
Julian Group The February Julian Group meeting for contemplative prayer was also held at Hillows House, St. Teath, and was led by Mrs. Judith Pollinger.
Healing Eucharist On one of the coldest nights of the winter, over twenty people gathered in St. Tudy Church to take part in a service of healing on Wednesday 6th. February. All three parishes were represented and visitors were welcomed from St. Endellion, St. Peter's, and Tintagel. The service was led by Mrs. Judith Pollinger (Michaelstow), and the eucharist was celebrated by the Rector, who also gave a special introduction. There were intercessions for the sick and several of those present received the laying on of hands for healing for themselves or for someone else. The service began and ended with Taize music and coffee was served in the back of the Church afterwards. Judith Pollinger.

of pounds for such facilities.

Mr. Bolton said that the Parish Council acted as they did to get the obstruction removed rapidly and that any extra costs incurred by the contractor would only increase the rents of the houses.

Mrs. Gore referred to the Watchdog TV programme on child safety where it was pointed out that local authorities had powers to install 'sleeping policeman' in roads near schools to slow traffic down. Could this be a solution for Port Isaac School? In formation about this is to be sought from the local Road Safety Council.

Mr. Penna reported that there was a large pile of soil beside the seat in the car space at the top of Church Hill. County Highways are to be asked to investigate.

Next Meeting

The next monthly meeting of the Parish Council will be held on Monday 11th. March at 7.30pm. in the Chapel Room, Trelights.

Further to my remarks at the Parish Council meeting, I should like to point out that the contractor must have planned for vehicle and site machinery parking on the site and already included an allowance for this in the construction price. Provision of off-site parking must have been of great benefit to him and it is therefore not unreasonable to expect a contribution to Parish expenses - playing fields equipment, seats, information signs, etc. I feel it is important to sort out the question of compensation and arrangements for satisfactory reinstatement of the parking area, at this stage - not wait until the contractor has left the site.

Anna Harris.

THE ELVERS

We are sorry to announce that, due to the stringent new health regulations and the sad deaths of Bertha and Bob last year, the Elvers at Port Gaverne has ceased trading. We sincerely thank all our customers and the traders who have supported us over the last four years.

DISTRICT COUNCIL MEETINGS

Concern has been expressed over my infrequent attendance at Parish Council meetings. As your North Cornwall District Council representative I am naturally obliged, and pleased, to attend meetings in your interest and make decisions affecting the whole of North Cornwall. I serve on various committees - Housing, Planning and Development, an Environmental Services sub-committee which looks into matters of health care, the Police Consultative Committee, and as District Representative, Cornwall Tourist Board. I have asked the Parish Council to change their meeting day as N.C.D.C. also meets on Mondays. I feel it is a disadvantage to the Parish not to have their District Councillor at meetings, also to the District Councillor not to be able to hear Parish Councillors' and the public's views. A list of meetings I have attended recently are as follows: Jan. 7th: Full Council. 9th: Housing Allocation. 14th: Planning, 2-10pm. 21st: Cornwall Tourist Board, Truro. 22nd: Environmental Services. 24th: Planning Site meetings (all day). 28th: Housing. 30th: Police Consultation. Feb. 4th: Planning, 2-10pm. 5th: Tourist Publicity. 6th: Health Sub-committee. 11th: Finance (Estimates Budget 1991-92). 12th: Planning. 13th: Housing Allocation. Meetings due: Feb. 25th: Planning, 2-10pm. 11th: Finance. 12th: Environmental. 13th: Housing Allocation. 18th: Housing. I am only too happy to receive a phone call at any time to assist you. (880248)

ANDREA'S

As from January 1991, my hairdressing salon will no longer be open for business. I wish to take this opportunity to say a big thank you to all my customers, especially those who supported me from the start, making my business a successful one. I have enjoyed my work in Port Isaac immensely and will look back with fond memories, as I have made so many friends. Unfortunately circumstances have arisen and I feel I am no longer able to run a full-time professional business. I hope to see some of you again soon. Thank you all again. Andrea.

FOOD SAFETY ACT 1990

The government is introducing tight new regulations governing the handling and serving of food. These will affect everyone in the hotel, catering, and leisure industries. Environmental Health Officers will have significantly enhanced powers of enforcement and the penalties for non-compliance will be severe.

To ensure that your business will meet the requirements of the new Act, it is important to get the right training for you and your staff. One-day courses will be organised at Headlands Hotel in March, by the Hotel and Catering Training Company. Those successfully completing the course will obtain the Institution of Environmental Health Officers' Basic Food Hygiene Certificate. The cost of the course is £20 (excl. VAT) plus the Institution's registration fee of £8. To reserve your place, please phone Anna Harris, 880260.

PARISH COUNCIL

A report compiled from notes taken during the meeting held at the Church Rooms, Port Isaac, on Monday 11th. February.

Chairman, David Bolton, pointed out that Cllr. Symons frequently had to miss meetings to attend to District Council business. 'We are fortunate to have a councillor who puts his District Council work first,' he said. The viability of changing the day of Parish Council meetings will be raised at the Annual Meeting.

West Country Housing Association

Mr. Bolton introduced Mr. Matthews, who talked about the development at Hillson's Close, the types of housing to be available, the method of selecting applicants, and the possible rents to be paid. Applicants who have been living, or working, in St. Endellion, or one of the four adjacent parishes, for the previous three years will be considered. Tenants with low incomes will be eligible for full Housing Benefit. They will not have the right to buy their properties which would remain permanently in the renting market. The properties would have to be the tenants' main home, which will prevent holiday letting. The Association has the power to evict tenants if necessary. Local workmen will be used for maintenance work. As most of the applicants are single or childless people and many are already living here, there is little possibility of an influx of children at Port Isaac school. It is hoped that successful applicants will soon be informed, and able to take up occupation in May. Unsuccessful applicants will be kept on the waiting list in case of future 're-lets'.

Mr. Stokes passed a vote of thanks to Mr. Matthews, who had driven from Torquay to attend the meeting.

Chairman's Gavel

Before continuing, Mr. Bolton received from Dr. Barron the gift of a gavel for the chairman's use in keeping order.

Playing Fields Car Park

Mr. Phelps said the Council should obtain a firm specification from the contractors for the way in which they intended to reinstate the car park which had been used for their

vehicles and equipment during the work at Hillson's Close. They had not been charged as this would be contrary to the terms of the original conveyance, and it was also suggested that perhaps they would like to make a donation to the Parish Council, or the Playing Fields Action Group, in lieu of payment.

Finance

£500 to be transferred from deposit, leaving a balance of about £562.

Annual Parish Meeting

The date was fixed at Thursday 25th. April and arrangements will be made to invite official speakers.

New Seats

The type of plastic seat at Trewetha Farm is thought suitable for average locations and one is to be installed by the car park entrance at the top of Port Gaverne hill. The traditional wooden seat should, however, be used in key locations. A picnic table of the same type is to be bought as the playing fields 'donated seat'.

Hillson's Close

Mrs. Richards said that the houses in the Close were being painted different colours and were beginning to look a better.

Port Gaverne Toilets, Caretaker

Notices advertising for tenders for the position are to be displayed. The Council agreed to Mr. Bolton's suggestion that an account should be opened for purchasing supplies.

Contaminated Water

Only six dwellings were affected where residents were advised to boil the water which was a precaution against static water which accumulated when the new main was connected. Such problems would, in future, be reported to the Clerk who would then be able to inform the public accordingly.

Road Signs, Trewetha lane

The County Highways Dept. has not yet decided the location for the 30mph. and 'school' signs which will be resited because of the development at Hillson's Close. A strong letter stressing the now greater need for a zebra crossing is to be sent to the Dept.

Lights in Fore Street

Mr. Trudgian is to be asked for a written reply explaining the frequent failure of the lights.

Yellow Lines, Lundy Road

Highways are to be asked for yellow lines on the main road 15 metres either side of the entrance to Lundy Road to stop the parking that blocks the visibility.

Clerk's Correspondence

a. A surveyor has obtained £435 from South West Water on behalf of the Parish Council in compensation for the disruption at the Playing Fields during the new water main laying.

b. Mr. Dodgeon of County Highways has agreed that there is a need for better direction signs and separation of traffic and pedestrians in Port Isaac, and he is to give the problem his consideration.

c. Mr. Dodgeon also said he was aware of the bad condition of roads in Port Isaac. Re-laying that had been postponed due to various works, would now be carried out.

d. In a letter, Mrs. Doney, County Footpath Officer for the area, said all the Port Isaac footpath signs were in position but many of them have been illegally turned round. Any additional ones would be a matter for Highways.

e. The 1991-92 precept will be received in instalments of £2,875 on 15th April and 13th September.

Planning Applications

a. Listed building consent to reinstate galleried floor in restaurant at rear of building, Mrs. A. Smith, Slipway Hotel: 'no observations'.

b. Demolition of rear of building, rebuilding as ground floor kitchen and first floor proprietor's flat, and provision of two car parking spaces at front, Cornish Cafe, David Phelps, (Mr. Phelps declared an interest and withdrew from the meeting): The Council supported the application, but considered replacing the pleasant forecourt with its flowers with car spaces, as a retrograde step.

Public Discussion

Mrs. Coates said that she had been informed by letter that the donation to the Village Hall Heating Fund was to be discussed at the February meeting but this had not happened. She had to have the information before March to apply for further imminent grants.

A special meeting was arranged for Monday 18th February.

Mrs. Dingle asked if the contractors' rubble could be removed from the Playing Fields car park.

Mrs. Harris said that as an architect she knew that an important part of a building contract were strict regulations governing the siting of vehicles and equipment during work. It was every contractor's duty to avoid obstruction and ensure safety arrangements were made before work started. They would normally expect to allow thousands

OUR BOYS AND GIRLS IN THE GULF

The Church Hall was the only hot place in Port Isaac on Thursday 7th. February. The warmth was generated, not only from the wonderful home-made soup, but from the very generous people of the village who braved sub-zero temperatures and responded beyond expectations to support our appeal for the troops. Words cannot express our thanks to everyone (too numerous to mention) who helped in any way to make the day such a success. The magnificent amount of £900 was raised and, by now, 100 parcels of goodies have been sent to the Gulf with our love and best wishes. The following letter was put in every parcel, and we hope it brings a smile. Once again, thanks everyone.

This 'ere' passell is fer any dear 'ole' boys or maids out in that there Gulf. Us party down yer in Port Isaac, Cornwall 'ave 'ad a bootiful day collectun stuff so 'e' can kip clean, 'ave a decent cup of tay and a few 'ome comforts. 'Urri up and sort out that there maize man and get back 'ome where 'e' belong. Best wishes and God bless, from all your friends, Port Isaac, Cornwall.
Carol, Lil, and Julie.

TROOPS IN THE GULF: GULF SUPPORT DAY

On Thursday 7th. February we were privileged to see the results of the open-hearted generosity, hard work, expertise and caring kindness shown by Port Isaac as a whole, not forgetting those like-minded folk from outlying villages. In twelve days up to and including the 7th. the sum of £900 was raised to provide parcels for troops in the Gulf. It would be invidious to mention individuals: suffice it to say that the donations received from local businesses and individuals, guaranteed that the willing helpers, who so cheerfully and expertly sold the items on display, were assured a good day.

To the best of our knowledge there are ten servicemen and women serving in the Gulf from this area. It is proposed to send a personalised parcel to each of them, complete with a typical Cornish message. The remainder of the money will be spent making up parcels for B.F.P.O. 3000, for distribution to servicemen and women who have had little or no communication from home.

Everyone concerned with this wonderful achievement should feel justly proud of their participation.

Eileen and Arthur Jordan.

The church of God does not consist of buildings; it consists of people.

PEN-PALS FROM THE GULF

To those kind people who have written for pen-pals in the Gulf, replies are arriving, but some take up to nineteen days to arrive, due no doubt to the fact that the various units are moving around almost continuously. Please be patient, and I know that your letters are much appreciated.

Eileen Jordan.

GUARDIAN VILLAGE NEWS

The letter in last week's Guardian about fund-raising for the Gulf may not have given the correct impression. Most of the money raised was organised by other people, too numerous to mention by name. Eileen assures us that she hadn't, in fact, asked for her name to be mentioned in the articles.

VILLAGE HALL

There will be a Jumble Sale in the hall on Saturday 23rd. February at 2.00pm. again, in aid of the heating, double glazing, and insulation stage of the restoration.

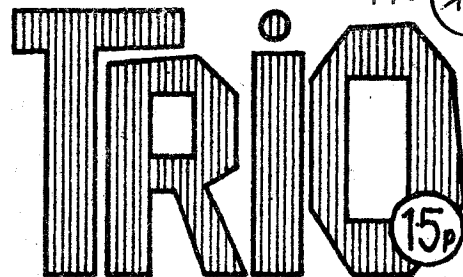

Our grant secretary has applied for numerous grants which will cover the greater part of the cost - but some grants are dependent on the amount of funds raised by the Hall and some have time limits in which to complete the work. So please support this last stage of the restoration. Thank you to those who contributed cakes, etc. to our Coffee Morning and to the few who did support us. The A.G.M. will be held on Wednesday 10th. April at 7.30pm. in the Hall.
Lin Holmes.

JOHN DAWE

The death occurred on January 23rd. at East Cornwall Hospital, Bodmin, of Mr. John Dawe of Tower View, Trelights, one of the oldest residents in the village, where John was born. He had, however, farmed 'Tolraggott Farm' for the greater part of his long life, coming back again two years ago to live in Trelights. The funeral on Monday 28th. January was held at St. Endellion Parish Church and was conducted by Revd. Alan Wainwright. Cremation was at the Glynn Valley Crematorium. Many farmers and friends attended. We express our condolences to his relatives and especially to Miss Violet Barker, his housekeeper for so many years.

JESSIE HAMPTON

Residents heard with regret of the death of Mrs. Jessie Hampton who lived at Rose Hill for some time, and recently at No. 6 Mayfield Drive. She was the widow of the late Richard (Dick) Hampton. The funeral service was held at the Glynn Valley Crematorium. We express our sympathy to Anne and her family in the passing of a mother and Gran.

THANKS

We would like to thank all our friends and neighbours for their kindness and compassion shown to Pat Rex during Sydney's sudden illness. Cards, flowers and lifts to and from Treliske Hospital, meals and the many, many offers of help. Sydney is now in Bodmin and making steady progress.

Thank you very much to all the folk who sent cards and best wishes during my stay in hospital. Such wonderful support helped enormously.
Jo Phillips.
