

## NOYES FLUDDE

There will be a meeting, for everyone who would like to be involved in this exciting project, in St. Peter's Church at 7.00pm. Thursday 15th. September. We would like to see all the children who are going to be animals, plus the 'waves', the raven, and the dove - you know who you are! We would like also to see as many adults as possible who would like to help - if you belong to one of the local organisations, do make sure that someone from your club/organisation comes along so that everyone can get involved!

*Liz Bartlett/Janet Townsend*

I wish to thank all the local artists who exhibited their work with me at the show at the church hall recently.

Thanks to the generosity of people visiting the exhibition and the artists contributing a percentage of their sales, we were able to donate £215 to the Church of St. Peter and mainly the church hall.

Many local people were surprised at the amount of talent amongst us. We hope to continue the good work next year.

*Frank McNichol.*

## A GLIMPSE OF OLD PORT ISAAC

The local history group will be putting on another exhibition over the bank holiday weekend with different pictures and artefacts, many not seen before. It will be in the Penhaligon Rooms on Sunday 28th August and Monday 29th August from 10.30am to 5.00pm, and, for those who are otherwise occupied during the day, the exhibition will also be open from 7.00pm to 9.00pm on Sunday the 28th. A range of delicious refreshments will be available whilst you view. If you haven't seen the exhibition before, come and see what you have been missing. If you have, why not come and see the new items or just come again for the fun of seeing Port Isaac and its inhabitants as they used to be. Admission is just 50p.

## LIFEBOAT

The Lifeboat was launched on 24th. July to help two swimmers that had got into difficulty at Port Gaverne, and became stuck on the cliff. The crew assisted the cliff team to take them ashore. Janice Haunt and Kerry Ann Warren were landed unhurt. The crew were A. Walton, R. Hambly, and C. Scott.

### A Tragic Accident

On 30th. July, the Lifeboat was called out to a person that had fallen 200ft. over the cliff near Pentire Point. The casualty was suffering from multiple injuries and crewman Chris Scott attempted resuscitation but could not get any response. The casualty, Adam Boyd aged 26 from Australia, was taken on board the Lifeboat and transferred to the Rescue Helicopter. He was pronounced dead at Treliske Hospital. Crew were A. Walton, C. Scott, and J. Rowe.

### Delay in landing

On 6th. August, the Lifeboat went to the aid of 17ft. Dory that had engine failure off Bossiney. The lifeboat towed the boat back to Port Gaverne. Due to sea conditions it took the Lifeboat an hour and a quarter to get to port. The two people on board were Martin Edwards from the Wind Farm, Deli, Delabole, and his friend Guy Williams from Yeolmbridge. The same boat was towed in on 29th. August last year. Crew were A. Walton, J. Collins, and M. Edkins.

On 8th. August, the Lifeboat was called out to a report of two people cut off by the tide at Bossiney. On arrival, it was found that the people had managed to get to safety unaided. Crew were J. Brown, C. Scott, and P. Worden.

On 16th. August the Lifeboat was launched to a 17ft. inflatable, with five people on board, that had engine failure one mile north of Port Isaac. The Lifeboat towed the inflatable to Port Gaverne. Crew were M. Provis, N. Andrews, and M. Edkins.

### VERA WASTENEY

Older residents will have heard with regret of the death at the Bethany Retirement Home at Falmouth of Mrs. Vera Wasteneay, formerly of 58 New Road, age 85 years. For a number of years she and her late sister had a wool shop in the village. They were both members of the Roscarrock Hill Methodist Church, the Women's Fellowship, and the Golden Circle. Before coming to Port Isaac to reside, the family were in charge of the Post Office and stores at St. Teath. The funeral was held at St. Teath Methodist Church on Friday 29th. July. Revd. J. R. Bickle officiated. The interment was in the cemetery. We express our sympathy to her brother John, and relatives, in their bereavement.

John Clemoes would like to express his sincere thanks to those who attended the funeral of his sister Vera at St. Teath. Thanks also to the Revd. Bickle, the organist Mrs. M. Haynes, and the ladies who served refreshments in the schoolroom after the service.

This month it is rather a 'thin' Trio due to the early copy date and the fact that most people are very busy now. No doubt the October issue will more than make up for it!

## THE 'LIVE JIVE'

At Thorn House 30/7/94

I am delighted to say that our 'do' this year raised over £2,200 profit, far in excess of anything we imagined. We have this year been able to give £666.66 each to the Village Hall, Village Christmas Lights, and the R.N.L.I., and split the rest between the Playgroup and the re-formed Football Club.

Many, many thanks to everyone who helped out on the night and to everyone who came. The Deja Blues and Kinnar Soul bands were terrific. Special thanks to the family team of Molly (who was head of security and bouncer) and Nick, who by the end of the evening was even more barbecued than Mark's sausages!

I hope we didn't disturb the village too much and that you'll bear with us again next year. We're already negotiating with the Stones after being told that Jimi Hendrix would not be available.

Rave on!

## PARISH COUNCIL

An unofficial report compiled from notes taken by a member of the public during the meeting held at the Church Rooms, Port Isaac, on Monday 8th. August. Please refer to the Parish Council minutes for authoritative information.

A small meeting consisting of David Bolton (Chairman), Henry Symons (Vice Chairman), Henry Barriball, District Cllr. Bill Dawe, David Phelps, and Eric Stokes.

### Public Discussion

Peggy Richards asked for a litter bin near the picnic area at the Playing Fields. She also spoke about necessary improvements to the road drainage along Trewetha Lane from The Gwelva into the village. She was concerned that brambles hanging out into the road from the hedges could be dangerous for children riding bicycles along there.

Mrs. Ferguson asked for the dog litter bins to be emptied more frequently as the stench in the hot weather is unbearable, also, because people use them for ordinary litter as well, they quickly get full.

Robin Penna asked who was responsible for the small lay-by at the top of Church Hill – the seat is broken, the surface is uneven with many manholes, the litter bin is full and there are about five plastic bags full of rubbish lying around. He was told that the seat is to be repaired by the Parish Council but the rest of the responsibility lies with the Highways Department.

### Finance

With about £80 in the current bank account and some £3,500 on deposit, the month's expenses would make the Council £600 overdrawn, so it was decided to transfer £1,000 from deposit to the current account.

### Project 2000

David Phelps asked for this matter to be deferred to next month as the item was not yet ready for presentation.

### County Information/Advice Centres

Sites are needed in shops, libraries, etc., for stand-alone computer centres to provide the information service for the public, and volunteers are being sought in suitable communities for this service. David Bolton thought the doctors' surgery might be suitable. The Council, however, asked for somebody to come and give a presentation.

### New Burial Ground

The documents have been received and the Chairman and Vice-Chairman are to go through them, and present them at next month's meeting. Cllr. Dawe said he had been informed at a recent meeting of the Parochial Church Council that the land was to remain the property of the Parish Council who would receive the burial fees as is, apparently, the practice at St. Minver. Details such as this will be clarified at the September meeting, however, before final action is taken.

### Playing Fields Gates

David Bolton complained that he had found himself unable to get the gates closed without a great deal of difficulty and that they ought to be made so that women and children could shut them. Bill Dawe said he would get his son Mark to get the

job done. David Phelps said the Council should be reticent about spending too much at this stage as proper new, farm-type gates were needed which would not be so heavy and would look more appropriate. Eric Stokes said the gates were perfectly all right, if they were hung properly a child would be able to close them.

### COMMITTEE REPORTS

**District Councillor:** Bill Dawe said the result of the appeal by Mr. Champness concerning the planning application for 'First and Last' had been a directive from the Department for the Environment to say that the building could not be demolished unless replaced by a suitable alternative. He thought the village wanted the building protected and suggested money could be raised by donations from the public for the purpose. Garages or parking spaces would not be a suitable alternative. Henry Symons thought this a dangerous suggestion as it was private property and the owner would have to be approached first. Eric Stokes said he had been in charge of ancient monuments in London and that old buildings like this can neither be replaced or renovated. David Phelps said there were better things to raise public money for – unless the building was given to the Parish.

**Chairman:** David Bolton reported that during site meetings held in the village to check work done by County Highways recently, it was discovered that the wall of the house at the junction of Trewetha Lane and New Road was in danger of falling down. Traffic calming measures at Hillson Close were discussed, and work is to be done at Coldstanton Corner. The proliferation of official and non-official signs would be fully discussed at the September meeting. (Henry Symons added the information that all sign applications were being deferred until new policies had been formulated.) Robert Sloman is planting trees to prevent further land slipping on Church Hill.

**Seats:** David Phelps said a new seat for the Platt was to be donated to the Parish so one of the seats there at present could be used, on a plinth, to replace a black plastic one [location not stated]. Seats at the top of Church Hill and at Lower Trefreock turning will be repaired as soon as quotations are received. The St. Endellion Festival Committee may donate a new seat for the church. The present one is in a dangerous condition, as is the one at Lower Trefreock and they are to be removed immediately. Eric Stokes said he will shortly be removing the car park notice board for repairs.

**Playing Fields:** The only matter reported was sheep on the field that evening although nobody knew who they belonged to.

### CLERK'S CORRESPONDENCE

Permission was requested for a barbecue in Coronation Park, Trelights, on Wednesday 24th. August. The use of a field used as car park during the Music Festivals had already been offered but it was preferred to hold the function in the centre of the village if possible. The Clerk to the Council, Barbara Willmott, had been advised by Cornhill Insurance that the provision of a barbecue area for use by the public was in order providing that statutory requirements were observed and that all reasonable precautions were taken. It would also be advisable

for those intending to hold a barbecue to have their own insurance and they should be asked to sign an indemnity to this effect when seeking permission.

A letter from Fred Thompson thanked the Parish Council and, through the Council, all members of the public, for their support of Trio Newsletter.

The District Council has denied ownership of the swings at Mayfield Drive but Peggy Richards said she remembered the swings being installed by the Council, who had ensured that a small piece of land should be left for this purpose. Bill Dawe, who was supposed to have been informed about this, will get on to the Council about it again.

### PLANNING APPLICATIONS

Erection of a dwelling, 34 Trewetha Lane, Mrs. H. D. Fletcher. Adjacent to the Playing Fields and occupying a space between 'Garrick' and 'Lower Garrick'. Eric Stokes said every bit of land was being snatched up and more and more houses were being crowded into the tiny village we were supposed to be proud of, while there were dozens of houses for sale. Permission had been granted for the large bungalow at the back of New Road which has lain empty for three years. It is over-building. David Bolton said the Parish Council could do nothing about the situation, it followed Planning Regulations. David Phelps proposed recommendation for approval so long as County Structure Plan and building regulations were observed, though he was scandalised to see plans – for a full-sized house, not a small development – rubber stamped 'Delegation Possible'.

Erection of a dwelling adjacent to No. 17 Trewetha Lane, Mr. C. Champness. Revised plans for the house to be built in a space next to 'Higher Perch' showing lower floor levels and a hipped roof. A letter from Mr. Phillips, whose bungalow is on adjoining land at the rear of the site, stated fears that the stability of his bungalow could be affected by the proximity of the new building. Also that placing of the new house at the back of the site would result in the destruction of trees, etc., turning the area into a concrete suburbia detrimental to the Conservation Area. The Parish Council, although not basically opposed to the plans felt that the building was too big for the site – David Phelps thought a double garage was ridiculous – and in any event should be lower down and in alignment with the present buildings.

### Next Meeting

The next monthly meeting of the Parish Council will be held on Monday 12th. September at 7.30pm. in the Church Rooms, Port Isaac.

Remember the Blackthorn Press  
for forms, cards, posters, menus,  
letterheads, etc. but please note  
- we are closed for two weeks to

### OUR KIDS

We blame them at times, for all sorts  
of crimes,  
Calling them louts and yobs,  
But at 16 years, they're out on their ears,  
From school, no hope and no jobs.

Sure, some of them fail, and go  
off the rail.

But one failure is not a disgrace.  
Most you'll agree, are like you and me,  
And their hearts are in the right place.

Where is the soul, in a 30 quid dole?  
When all our kids need is pride.

Grey men in power, earning  
100's per hour,  
Wring their hands and say  
'We have tried'.

But their crocodile tears, fall on deaf ears,  
These kids don't need consolation.  
They need work and pay, and be able  
to say

'WE are the wealth of the nation,

Throw us some rope, give us some hope,  
And we'll show you what we are worth,  
Open the gate, and we'll make  
Britain great,

For we are the salt of the earth!

### RED LIGHT DEPARTMENT?

Coming around the corner from Trewetha  
last Thursday (18th. August.) I was amazed  
to be greeted by a red light - I know that  
various traffic-calming devices have been  
suggested for that notorious road into Port

taking things a bit too far!

#### Port Gaverne Car Boot and Barbecue

This car boot sale was well attended and  
the barbecue was a great success. All the  
hamburgers, hot dogs, and mackerel were  
sold - one customer actually ate four  
mackerel.

Many thanks to those who attended and  
special gratitude to Dave-the-Peapod Philp  
for the barbecue charcoal and to Steve  
Sidney for the donation of 20 fresh caught  
mackerel. Including souvenirs from Leslie  
Walton, we made a profit of over £130.  
Well done everyone.

#### Lifeboat Larks

This was our best Larks yet. Crowds of  
people turned up to enjoy the many games  
and amusements on offer. I would like to  
thank the crew and the committee for  
working so well together on this special  
day. We raised over £1,500 for the lifeboat.

### R.N.L.I. CONCERTS

On behalf of the R.N.L.I., Port Isaac  
Branch, I would like to say an enormous  
'thank you' to the director Cindy Powell,  
the producers Steve Appleby and Ed  
Fletcher, the entire cast, stage crew, and  
front-of-house helpers in making 'Push  
The Boat Out' such a spectacular success.  
It was marvellous to witness such village  
unity and such a high degree of individual  
talent. The production was thoroughly en-  
joyed by both visitors and locals and raised  
the magnificent sum of £559.40. Applause  
all round.

## FOOTBALL CLUB

### To our friends and supporters

Please come and support the team. Quite a few home matches to start the season.

At a recent meeting it was suggested that maybe some very kind persons would be able to sponsor us in some way as we are starting off again with very low funds. An example would be match balls. These cost about £30.00. If anyone could help us we would be very grateful. Please contact Bryan Richards or Roy Smith.

On Saturday 7th. August we had a friendly against Camelford. This gave us a chance to try out unknown players though we ended up losing. We could see a lot to encourage us for the coming season.

On 'PHONEDAY 95' - Sunday 16th. April 1995 at 1.00am. - new telephone area codes will take over, but parallel running of the new and old codes has begun already so you can use either the existing codes or the new ones until 16th. April. The new codes will place an extra 1 after the initial 0, e.g. Bodmin will change from 0208 to 01208. However, some numbers will not be affected - freephone 0800, reduced rate 0345, premium rate 0891, 0839, 0881, 0898, and mobile phones. Leeds, Sheffield, Nottingham, Leicester, Bristol, Kingston-upon-Hill, and Jersey will have entirely new numbers. For full information ring the BT Hotline: 0800 01 01 01.

If you happen to have stationery left with the old codes on it, don't throw it away! The Blackthorn Press can neatly overprint existing letterheads, cards, etc. which will save you having to pay for new ones.

## ST. ENDELLION CHURCH

### New Sunday School

'Sunbeams' is the name chosen for the new Sunday School which starts in St. Endellion in September. The opening session will begin in the Church Hall at 10.45am. on Sunday 11th. September and will be at the same time each Sunday in term time. The 'Sunbeams' is for children aged 3 - 7 and will be run by Mrs. Joyce Griffith, and Mrs. Dawn Champion and family.

### Feast of the Transfiguration

The Feast of the Transfiguration of our Lord was commemorated by a said eucharist in St. Endellion Church on the morning of Saturday 6th. August. Celebrant was Prebd. Michael Bartlett, rector. Mrs. J. Pollinger was server and led the intercessions.

### Music Festival

Capacity audiences once again filled the Church for the ten days of the Annual Summer Music Festival. The bold decision to stage three performances of Britten's operatic masterpiece 'Peter Grimes' proved to be an outstanding success. On all three evenings, audiences expressed their appreciation by giving standing ovations.

As always, music and worship combined to give glory to God and to uplift the hearts of all those privileged to share in the Festival. Prebd. H. Fryer, former rector, was given a warm welcome when he returned to preach at the opening Festival Evensong. The present rector preceded each concert with a welcome and an opening prayer and was celebrant and preacher at the Festival Sunday eucharist on 7th. August. The late evening office of compline was sung by candlelight after several of the concerts. The Revd. Canon P. Gay, chancellor of Truro Cathedral, was the guest preacher at the final sung eucharist on Friday 12th. August. Assisting at two of the services was the Revd. Roger Moulton, an American priest.

Director Richard Hickox provided a delightfully varied programme of music which included works by Schubert, Haydn, Mozart, Prokofiev, Stravinsky, Brahms, Purcell, Bach, Rachmaninov, Respighi, Bortkiewicz, Ibert, and Britten. The Sunday following the Festival he was conductor at a Promenade Concert in the Albert Hall, London.

### Taizé Visit

Mr. M. Bartlett and Mrs. J. Pollinger are taking part in the annual youth Pilgrimage to Taizé at the end of August.

### Harvest Thanksgiving

Harvest Thanksgiving will be celebrated at St. Endellion Church with a sung eucharist at 11.00am. on Sunday 25th. September, Harvest Evensong at 6.00pm. followed by a supper auction and drawing of the raffle in the Church Hall at 7.00pm.

### Rwanda Appeal

The plight of the suffering people of Rwanda has touched the hearts of many. A retiring collection in all three churches of the United Benefice after the Sunday morning service on 7th. August, raised £455.00 for the appeal.

### Sponsored Cycle Ride

The church will be staffed by volunteers ready to welcome cyclists and walkers taking part in the annual Historic Churches sponsored fund-raising on Saturday 10th. September.

*Judith Pollinger.*

## GARDEN SOCIETY

We would like to remind everyone that this year's Port Isaac and District Garden Society Show will again be held in the church hall on Saturday 17th. September, 2.00pm. to 4.00pm. Let us make it a big success.

*Noreen Barron.*

## PORT ISAAC ILLUMINATIONS

On behalf of our committee may I thank Jon Cleave for his magnificent donation of £666 for our Christmas Lights. At one fell swoop, Jon and his band of tireless helpers have ensured that we can repair the damages of last year's gales. More donations are very welcome for more lights and switch-on night. Once again, many thanks Jon - the Old Lady's Jewels will sparkle again at Christmas.
